## ADMISSION UNDER National Education Policy (NEP) 2020

The Government of Himachal Pradesh has implemented the National Education Policy (NEP) 2020. In accordance with NEP 2020, the UGC has introduced a student-centric “Curriculum and Credit Framework for Undergraduate Programmes (UGC-CCFUGP 2022)”.

The National Education Policy (NEP) 2020 recognises that higher education plays a crucial role in promoting human and societal well-being, and in developing India as envisioned in its Constitution—a democratic, just, socially conscious, and humane nation that upholds liberty, equality, fraternity, and justice for all. The NEP 2020 notes, "given the 21<sup>st</sup>-century requirements, quality higher education must aim to develop good, thoughtful, well-rounded, and creative individuals."

*The NEP 2020 states, "Assessments of educational approaches in undergraduate education that integrate the humanities and arts with Science, Technology, Engineering and Mathematics (STEM) have consistently shown positive learning outcomes, including increased creativity and innovation, crucial thinking and higher-order thinking capacities, problem-solving abilities, teamwork, communication skills, more in-depth learning and mastery of curricula across fields, increases in social and moral awareness, etc., besides general engagement and enjoyment of learning."*

Further, the NEP 2020 also recommends that *"the undergraduate degree will be of either 3- or 4-year duration, with multiple exit options within this period, with appropriate certifications."*

In accordance with the NEP 2020, the UGC has formulated a new student-centric "**Curriculum and Credit Framework for Undergraduate Programmes (UGC-CCFUGP 2022)**" incorporating a flexible choice-based credit system, multidisciplinary approach, and multiple entry and exit options, which will facilitate students to pursue their career path by choosing the subject/field of their interest.

Based on the UGC-CCFUGP notified in December 2022, Himachal Pradesh University, Shimla (HPU) has developed a Curriculum and Credit Framework for Undergraduate Programmes (HPU-CCFUGP, hereafter HPU-UGP), incorporating all essential aspects of the UGC- CCFUGP to facilitate the achievement of the policy visions stated in the NEP 2020. This HPU- UGP will also apply to the professional courses not covered by other regulatory bodies.

### Course Offered in the College under NEP:

Courses in Arts, Science, and Commerce are offered under NEP for First and Second Semester students as per the UGC Curriculum and Credit Framework for Undergraduate Programmes (UGC-CCFUGP 2022).

### Credit Requirements:

The minimum credit requirements of each category of courses for 3-Year and 4-Year Bachelor's Programmes (Honours or Honours with Research) are given in Table 1.

#### **Minimum Credit Requirements to Award Degree under Each Category as per UGC**

	Category of Courses	Minimum Credit Requirements	
		3-Year UG	4-Year UG
1	Major (Core)	60	80
2	Minor Stream	24	32*
3	Multidisciplinary	9	9
4	Ability Enhancement Courses (AEC)	8	8
5	Skill Enhancement Courses (SEC)	9	9
6	Value Added Courses common for all UG	6-8	6-8
7	Internship/Apprenticeship/Field Project	2-4	2-4
8	Research Project/Dissertation	-	12
	<b>Total</b>	<b>120</b>	<b>160</b>

*\* Refers to the UG programme with a single Major and Minor*

**Note:** Honours students not undertaking research will do three courses for **12 credits** instead of the Research Project/Dissertation.

## 1. Level of Courses

Courses shall be coded based on the learning outcomes, level of difficulty, and academic rigour. The coding of courses will be as follows:

**0–99:** Pre-requisite courses required to undertake an introductory course, which will be a pass or fail course with no credits. It will replace the existing informal method of offering bridge courses, which are currently conducted in some colleges and universities.

**100–199:** Foundation or introductory courses that are intended for students to gain an understanding and basic knowledge about the subjects and help decide the subject or discipline of interest. These courses may also be prerequisites for courses in the major subjects.

**200–299:** Intermediate-level courses, including subject-specific courses, intended to meet the credit requirements for minor or major areas of learning. These courses can be part of a major and can be prerequisite courses for advanced-level major courses.

**300–399:** Higher-level courses which are required for majoring in a disciplinary/ interdisciplinary area of study for the award of a degree.

**400–499:** Advanced courses which would include lecture courses with practicum, seminar-based courses, term papers, research methodology, advanced laboratory experiments/software training, research projects, hands-on training, internship/apprenticeship projects at the undergraduate level or First Year Post-graduate theoretical and practical courses.

### Significant Notes

1. The prescribed credit weightage includes Lecture, Tutorial, and Practical components.
2. In the first semester, students will be offered three different subjects within the same stream: A, B, and C (Core and Minor are provided here for illustrative purposes only).
3. At the end of the second semester, each student may choose one of two programmes: the Multi-Disciplinary/Interdisciplinary or Single Core Discipline (Major) programme. The student choosing the latter will be required to give his/her Major and Minor at the end of the second semester. Such choices, including DSCs made at the end of the second semester, shall remain in effect until the VI semester.
4. Additional Seats: The Colleges may create 10% extra seats over and above the sanctioned strength to accommodate the request for a change of major. Any unfilled or vacant seats may be filled with those seeking a change of Major. Preference will be given to those with the highest CGPA and no arrears in the first year/semester.
5. The DSCs of another discipline for the first two semesters of students who opt for Major programmes will be treated as Minors.
6. A DSC offered in one discipline will be treated as a Minor by another. Students can choose Minor Courses from two different subjects, but must earn a minimum of 12 credits in each.
7. MDCs must be selected from a broad discipline/pool of MDCs other than Major and Minor subjects.
8. AEC/VAC/SEC-3 should be chosen from a pool of courses. Every discipline shall provide these courses, some of which will be offered discipline-specific, while the rest can be open to students of all other disciplines. However, the two SECs (SEC-1 & SEC-2) must be chosen from the discipline-specific (Core and Minor).
9. A maximum of two language courses can be opted for as Core and Minor. AECs should be in a language other than what is studied in DSCs/Minors.
10. I/A/P/C will be determined at the end of the first semester to enable students to carry out some I/A/P/C activities during winter vacation.
11. To pursue an Honour degree in the 4th year, students will have to choose only one discipline in both semesters, in which s/he have studied 6 DSCs and 5 DSEs in the first three years.
12. A student who secures 75% or more marks in aggregate till semester 6 (up to a 3-year degree) shall be eligible for a 4-year degree Honours with Research, provided HPU has approved the college to offer it.
13. One course per semester (DSC/Minor/MDC/SEC/etc) from a subject offered in two (or more) different programs (e.g. BCA and BSc/ BPA and BA/ BFA and BA/ Shastri and BA/etc) must be the same.
14. Students in the BA programmes can opt for only one DSC each from the Bachelor of Performing Arts (Dance, Music, Vocal & Instrument/Tabla/ etc.) and the Bachelor of Fine Arts (Painting/Applied Arts/Sculpture/ etc.).
15. Major and Minor shall be awarded on fulfilment of the following conditions: For Major, 64 credits in a 3-year & 84 credits in a 4-year UG programme in a single Major Discipline. For Minor 28 credits in 4-year UG programme in a single Minor Discipline
16. The Dissertation and Project will start in the VII semester. However, the evaluation and assessment will be conducted in both the VII and VIII semesters.

*\*As this scheme is being introduced for the first time, it is subject to modifications. Any changes applied in subsequent years after admission to the 1st Year will be retrospectively applicable.*

## Evaluation:

Evaluation system has the following two components:

**Continuous Comprehensive Assessment (CCA):-**It will account for 30% of the final grade in a phased manner.

- **Class Room Attendance:** A student has to attend a minimum of 75 percent lectures/tutorials and practical failing which he/she will not be allowed to appear in ESE/annual exam. The incentive for classroom attendance is as under:-

75% but <80%	1 mark
80% but <85%	2 marks
85% but <90%	3 marks
90% but <95%	4 marks
95% & above 95%	5 marks

- **House Exams (HE):** There will be one HE in each year and it will be of 15 marks for Science and 10 marks for Arts and commerce for all Years.
- **Class Test (CT):** There will be one class test for Arts and Commerce of 05 marks in each year.
- **Seminar / Assignment / Quiz/Project** –The remaining 10 marks of the CCA will be awarded on the basis of class test/ seminar / assignment / quiz /project or field work etc.

**Annual Exams (AE):** The remaining 70 percent of the final grade of the student in a course will be on the basis of annual exams (AE) that will be for three hours duration and will be covering the whole syllabus of the course.

## Grading:

- **Credit Weighed Marking System:** Performance of a student is evaluated in terms of earned credit weighed marking system. Earned credits are defined as the sum of course credits in which grade points above a certain cut off have been obtained for declaring learner pass in that course. In this way two performance indices emerge:
- **Semester Grade Point Average (SGPA)** for the current semester which is calculated on the basis of grade points obtained in all courses, except audit courses and courses in which satisfactory or course continuation has been awarded.  $SGPA = \frac{\text{Points secured in the semester}}{(\text{credits registered in the semester excluding audit, satisfactory courses and course continuation courses})}$ .
- **Cumulative Grade Point Average (CGPA)** for the student is calculated on the basis of all pass grades obtained in all courses, except audit courses and courses in which satisfactory or course continuation has been awarded, obtained in all completed semesters
- $CGPA = \frac{\sum(\text{course credits earned } (C_i) \times \text{Grade points } (G_i)) \text{ over all semesters}}{\sum(\text{Total course credits } (C_i \text{ in all the semesters except satisfactory, audit credits or course continuation credits})}$  Or  $CGPA = \frac{\text{cumulative Points secured in all passed courses}}{(\text{Cumulative earned credits excluding audit, satisfactory courses and course continuation courses})}$ .

- **Calculation of Grades for SGPA and CGPA** The marks obtained in the CCA and the ESE/annual exam will be combined and used for the deciding of the course grade that the student will be getting. Grading will be done by the Office of the COE SPU for each course class and the grades will be assigned to the students in the class as follows:

Category I:	Grade Points 10.0	Letter Grade S+
Category II:	Grade Points 9.5	Letter Grade S
Category III:	Grade Points 9.0	Letter Grade O++
Category IV:	Grade Points 8.5	Letter Grade O+
Category V:	Grade Points 8.0	Letter Grade O
Category VI:	Grade Points 7.5	Letter Grade A++
Category VII:	Grade Points 7.0	Letter Grade A+
Category VIII:	Grade Points 6.5	Letter Grade A
Category IX:	Grade Points 6.0	Letter Grade B+
Category X:	Grade Points 5.5	Letter Grade B
Category XI:	Grade Points 5.0	Letter Grade C
Category XII:	Grade Points 0.0	Letter Grade F (Fail)
Category XIII:	Incomplete	Letter Grade I
Category XIV:	Audit Pass	Letter Grade P
Category XV:	Audit Fail	Letter Grade X

*Notes:*

- Category XIII (Incomplete, with letter grade I) is given to students who are unable to complete the programme and are considered 'dropped'.
- Categories XIV and XV (Audit Pass with letter grade P and Audit Fail with letter grade X) are given to the students who are auditing (attending the class, but not for grade) the course and are passing or failing respectively. These grades will not be counted for determining the Grade Point Average (GPA) and Cumulated Grade Point Average (CGPA) of the student.

**For determining GPA, SGPA and CGPA, Division and Merit positions for Medals etc.**

For each student the Grade Point Average (GPA) and the Cumulated Grade Point Average (CGPA) will be determined by the CoE office of the SPU as follows:  $SGPA = (\sum C_i G_i) / (\sum C_i)$  Where  $i$  is summed over the number of courses studied in the current semester.  $GPA$  or  $CGPA = (\sum C_i G_i) / (\sum C_i)$ , Where  $i$  here is summed over the number of courses studied in the past semesters as well as current semester. Where,  $C_i$  is the credit earned for course  $i$  ( $i$  varying from 1 to  $n$ ) and  $G_i$  is the grade point obtained by the student in course  $i$  ( $i$  varying from 1 to  $n$ ),  $n$  being the number of courses passed so by a student.

**In each of these parts, the candidate will be categorized as below:**

<b>CGPA</b>	<b>Letter Grade</b>	<b>Explanation of letter Grade</b>	<b>Classification of the Final Result</b>
9.51 and above	S+	Super	First Class - Exemplary
