6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

The institution has different types of funds like Govt. funds, student fund and welfare fund. The college has various committees like advisory committee, purchase committee, stock verification committee which ensures efficient utilization of available financial resources for purchase and monitoring of financial matters. The financial matters of local funds are handled by the Bursar of the institution and the financial matters of government funds are handled by the Dealing Assistant and Office Superintendent. The budget allocations for the institution are made by the Department of Higher Education. Salaries and payments are made through Government Treasury after passing the bills by the Treasury Officer. The tuition fee, admission fee, late-admission fee and re-admission fee are deposited in the government accounts through challans. The Dealing Assistant and Office Superintendent assist the Principal in exercising the control over the expenditure of Government funds and all financial transactions are transparent. The audit of Local Funds is conducted by Local Audit Department of Government of Himachal Pradesh and the audit of Government Funds is conducted by the Accountant General, Himachal Pradesh. Whenever the institution needs a considerable sum for infrastructure or any other development, funds are asked

from the Director of Higher Education which in turn is allocated depending upon the availability of the budget. Other sources of mobilization of resources are PTA fund and OSA fund. The audit of PTA fund is done by Chartered Accountant (CA) every financial year. However, social audit is done for OSA fund.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

The facilities in the Institution for the management of the following types of degradable and non-degradable waste:

Solid waste management:The institution has two types of dustbins for biodegradable wastes and non-biodegradable wastes. Green colored dustbins are for biodegradable waste and blue ones for non-biodegradable waste. Biodegradable waste is also dumped in a pit.

Liquid waste management:This is done by putting the waste in the pit by the concerned departments.

Biomedical waste management: The college is encouraging the use of safer alternatives. Dilute solutions are being used in quantitative analysis, which minimizes the use of chemicals. Biological waste from life sciences laboratories are made harmless through autoclaving and then disposed.

E-waste management:Reuse is the most eco-friendly and cost-

effective method for e-waste disposal. The College maintains all its computer peripherals; all old systems are stored in safe place within the campus. Defective systems are upgraded by replacing their parts. Slight e-waste is generated in the institution.

Hazardous waste management: Plastic bags have already been banned in the state by the Government of Himachal Pradesh and the ban is properly enforced within the college premises. The College is trying to minimize the use of hazardous and toxic chemicals.
