Feedback from Students, Parents, Teachers and Alumni for the session 2022-23

Students Feedback on teaching learning process for the session 2022-23 and the teachers, parents and alumni's feedback has been collected on curriculum to assess the performance of teacher's success of Programmes, syllabi, workload, availability of the study material, infrastructural facilities etc.

Objective: It was carried out with the objective to assess the strengths and weaknesses of the teachers and to improve their teaching skills, feedback from the students has been collected with the objective to help in evaluation of the suitability of courses there usefulness, workload, availability of study materials, quality of evaluation system etc. So that the required modifications can be made to improve the quality of education, feedback on curriculum has been collected from teachers, parents and alumni.

Methodology: The data has been collected by drawing the following sample randomly.

Stakeholders	Total strength	sample	Percentage
Students	402	200	(49.7%)
Teachers	8	8	(100%)
Parents	402	292	(72.6%)
Alumni	197	34	(17.2%)

The relevant information has been collected from the teachers, parents and alumni in well – structured questionnaire sent through online mode. However, students feedback on teaching learning process have been collected on the structured questionnaire uploaded on NAAC website.

The percentages of various scales i.e., Strongly Agree, Agree, Neutral, Disagree and Strongly Disagree have been worked out and presented in tabular form and graphically.

Results: The present analysis of the feedback is divided into following four sections:

1. Section A: Students feedback on teaching learning process
2. Section B: Teachers feedback on curriculum.
3. Section C: Parents feedback on curriculum.
4. Section D: Alumni's feedback on curriculum.

Criterion II -Teaching–Learning and Evaluation Student Satisfaction Survey on Teaching Learning Process (2022-2023)

65 responses

Good

Yes

Very good

No

Very good

Nothing

Thank you so much

Good 👍 teaching

Use batter graphics and visual media to engage students will.

Use ICT tools

I agree

Better teachers faculty
Drinking water facility is not available

My college is very good and all the best in future too

My college is very good and all the best for future too

Use of multiple example

Improve the water supply..... And improve campus environment.

Excellent

I am feel good 👍

Sb kuch acha ha

1)Use better graphics and visual media to engage students well. ... 2) Try to reach every student and ask for their doubts. ... 3) Make teaching a two way interaction

1)User better graphics and visual media to enagae student well 2) Try to reach every student and ask for their dhoubts. 3) Make teaching a two way interaction.

Use better graphics and visual media to engage student well
Try to teach every student
Make teaching a two interaction

1) Use better graphics and visual media to engage students well. ... 2) to reach every student and ask for their doubts. ...
3) Make teaching a two way interaction.

It's all good

1: I'm studying in English medium, even the english medium books are not available in whole HPU from which our professor use to teach us

2: No Practicality in studies for

3: our professor got transferred so that syllabus was not completed we have to study by our own

its not story about this college its in whole HPU so i didn't tried other college for studies in HPU
better we go in other states for studies

To provide digital labs,

Good

No need of any sugestions .

Strogly agree

Effective classes, learning by engaging in activities other than course syllabi, proper discipline

1. Make students aware from each and every aspect of life.....as usually all students belongs to rural background so they need to have a Good guidance for their upliftment
2. Try to take them out from their biggest problem i.e hesitation in speaking in front of some dignitaries or in any open stage of life .....it can be resolve by asking them regularly in classes and ask them to speak something from their side
3. Teaching is a two way journey..... students and teachers both Play vital role in educational field

Encourage experimental/diagrammatical study instead of theoretical...

All good

1. There is no such reasons for developing overall teaching because there is all things necessary which is required to learn but all the teachers are good in there particular subjects.

1 there is no such reason for developing overall teaching because there is all necessary which is required to learn and all the teachers are good

Revision, Engaging most of students in curricular activities ,Sports

Excellent

Very bad...😀

1. By using the ICT TOOL like projector and led
2. By encourage the students also in extra caricular activities

3. By giving tha practical knowledge and relate the learning with real time examples Etc.

1.Teachers are very friendly with students
2. They always tries to improve our skills
3. They clears our doudts

Teachers are very friendly with students.
They always tries to improve our skills.
They always clear our doubts.

They teach us like a little game

Teacher are very friendly with student
Teacher teach us very well
Teacher are very helpful

Lcd projector etc.use. while studying

It will be changed by applying all upper discussion must deeply.

Field trip

Nothing

1.weekly test
2.revision

1. Weekly test
2. Revision
3.

No

Better and excellent teaching

1.All of us students always respects our teachers so we also expect that they must respect us as well we does

2.The way of teachers Talking with students should be improved.

3.Ragging is closed in college's by seniors but what about the ragging taken by teachers it should also banned. No one have the rights to de-monetise anyone. It should be noted.
