The following table gives a summary of an under graduate programme:

Sr. No.	Course Component	Number of Courses	Credits Per Course	Total Credits

	Grand Total	24	6/4	132

Evaluation: Evaluation system has the following two components:

- I. **Continuous Comprehensive Assessment (CCA):-**It will account for 30% of the final grade in a phased manner.
 - a. **Class Room Attendance:** A student has to attend a minimum of 75 percent

lectures/tutorials and practical failing which he/she will not be allowed to appear in ESE.

The incentive for classroom attendance:-

75% but <80%	1 mark
80% but <85%	2 marks
85% but <90%	3 marks
90% but <95%	4 marks
Above 95%	5 marks

- b. **House Exams (HE):** There will be one HE in each year and it will be of 15 marks for Science and 10 marks for Arts and commerce for all Years.
- c. **Class Test(CT):** There will be one class test for Arts and Commerce of 05 marks in each year.
- d. **Seminar / Assignment / Quiz/Project** –The remaining 10 marks of the CCA will be awarded on the basis of class test/ seminar / assignment / quiz /projector fill work etc.
- II. **Annual Exams (AE):** The remaining 70 percent of the final grade of the student in a course will be on the basis of annual exams (AE) that will be for three hours duration and will be covering the whole syllabus of the course.

Grading:

- **Credit Weighed Marking System:** Performance of a student is evaluated in terms of earned credit weighed marking system. Earned credits are defined as the sum of course credits in which grade points above a certain cut off have been obtained for declaring learner pass in that course. In this way two performance indices emerge
- **Semester Grade Point Average (SGPA)** for the current semester which is calculated on the basis of grade points obtained in all courses, except audit courses and courses in which satisfactory or course continuation has been awarded. $SGPA = \frac{\text{Points secured in the semester}}{\text{(credits registered in the semester excluding audit, satisfactory courses and course continuation courses)}}$
- **Cumulative Grade Point Average (CGPA)** for the student is calculated on the basis of all pass grades obtained in all courses, except audit courses and courses in which satisfactory or course continuation has been awarded, obtained in all completed semesters
- $CGPA = \frac{\sum(\text{course credits earned } (C_i) \times \text{Grade points } (G_i)) \text{ over all semesters}}{\sum(\text{Total course credits } (C_i \text{ in all the semesters except satisfactory, audit credits or course continuation credits})}$ Or $CGPA = \frac{\text{cumulative Points secured in all passed courses}}{\text{(Cumulative earned credits excluding audit, satisfactory courses and course continuation courses)}}$
- **Calculation of Grades for SGPA and CGPA** The marks obtained in the CCA and the ESE will be

combined and used for the deciding of the course grade that the student will be getting. Grading will be done by the Office of the COE HPU for each course class and the grades will be assigned to the students in the class as follows:

Category I:	Grade Points 10.0	Letter Grade S+
Category II:	Grade Points 9.5	Letter Grade S
Category III:	Grade Points 9.0	Letter Grade O++
Category IV:	Grade Points 8.5	Letter Grade O+
Category V:	Grade Points 8.0	Letter Grade O
Category VI:	Grade Points 7.5	Letter Grade A++
Category VII:	Grade Points 7.0	Letter Grade A+
Category VIII:	Grade Points 5	Letter Grade A
Category IX:	Grade Points 6.0	Letter Grade B+
Category X:	Grade Points 5.5	Letter Grade B
Category XI:	Grade Points 5.0	Letter Grade C
Category XII:	Grade Points 0.0	Letter Grade F (Fail)
Category XIII:	Incomplete	Letter Grade I
Category XIV:	Audit Pass	Letter Grade P
Category XV:	Audit Fail	Letter Grade X

Notes:

1. Category XIII (Incomplete, with letter grade I) is given to students who are unable to complete the programme and are considered 'dropped'.
2. Categories XIV and XV (Audit Pass with letter grade P and Audit Fail with letter grade X) are given to the students who are auditing (attending the class, but not for grade) the course and are passing or failing respectively. These grades will not be counted for determining the Grade Point Average (GPA) and Cumulated Grade Point Average (CGPA) of the student.

Determining GPA, SGPA and CGPA, Division and Merit positions for Medals etc. For each student the Grade Point Average (GPA) and the Cumulated Grade Point Average (CGPA) will be determined by the CoE office of the HPU as follows: $SGPA = (\sum C_i G_i) / (\sum C_i)$ Where i is summed over the number of courses studied in the current semester. GPA or $CGPA = (\sum C_i G_i) / (\sum C_i)$, Where i here is summed over the number of courses studied in the past semesters as well as current semester. Where, C_i is the credit earned for course i (i varying from 1 to n) and G_i is the grade point obtained by the student in course i (i varying from 1 to n), n being the number of courses passed so far by a student.

In each of these parts, the candidate will be categorized as below:

CGPA	Letter Grade	Explanation of letter Grade	Classification of the Final Result
9.51 and above	S+	Super	First Class - Exemplary
9.01 to 9.50	S
